Rick, when I compiled this LV4, I noticed that there was no narrative attached to the original LV2 report. I revised the LV2 report as well, and it is being sent along with the LV4 report (attached).

You should now have all LV4 packages.

Regarding the LV4 data package charges.

The original Order for Supplies and Services #EP-G12A-0005 had anticipated a \$108.81 charge.

Is that PO still open?

We never billed the full amount of the anticipated costs, so we could bill against that number if it is still available.
